

Nakkertok and Rain - Closures and Shovelling

Written by Francois Blain

Monday, 25 January 2010 10:57 - Last Updated Friday, 29 January 2010 07:20

Due to the current weather, Nakkertok will be closed today (Monday) and Tuesday. Please do not ski, snowshoe or walk on the stadium or trails!

Thank you to all of you who came out to help shovel on Saturday. It was like having a 10 cm snowfall in 3 hours. That effort will certainly help the trails survive this rain.

However, we will need to shovel again before we can ski. The plan is to meet at the Barn on Wednesday at 1:00 PM if you can come out during the day, or on Wednesday 6:30 PM if you are available in the evening. Please bring your Snow Scoops, (they work best for transporting snow), or, shovels, and headlights if you can help in the evening.

Thanks! ☺
